Dear Doctor,

Here is a list of our current prices. We are giving substantial discounts over what the current market rate is. We will try to maintain these prices as long as we can, but we need your support and continued service to keep our prices low.

EI1 (Endocrine/Immune 1) - Most common

Tests include: Total Estrogen, Cortisol, T3, T4, IgA, IgG, & IgM

Sample Requirements: 2 ML Serum shipped overnight with an Ice Pack.

Cost: \$120.00

EI3 (Endocrine/Immune 3)

Tests include: Total Estrogen, Cortisol, T3, & T4

Sample Requirements: 2 ML Serum shipped overnight with an Ice Pack.

Cost: \$105.00

Total Estrogen

Sample Requirements: 2 ML Serum shipped overnight with an Ice Pack.

Cost: \$70.00

Cortisol

Sample Requirements: 1 ML Serum shipped overnight with an Ice Pack.

Cost: \$22.00

IgA, IgG, OR IgM

Sample Requirements: 0.5 ML Serum shipped overnight with an Ice Pack.

Cost: \$30.00

IgA, IgG, & IgM

Sample Requirements: 1 ML Serum shipped overnight with an Ice Pack.

Cost: \$60.00

T3 & T4

Sample Requirements: 1 ML Serum shipped overnight with an Ice Pack.

Cost: \$22.00

Payment is required prior to the test being run.

Testing is performed over the weekend. Results are available every Monday.

If you need any more information, please feel free to contact me.
